KFC INT'L WORSHIP SERVICE @onechurchinHK

November 26, 2016

A new beginning!

Evangelical Free Church of China - Kong Fok Church is one of many Evangelical Free Churches in Hong Kong. Kong Fok Church was founded in 1984 with a mission to reach out and serve the professional community in the central business district. Recently we have changed the vision for our church to being “A Blessing to Hong Kong and Beyond to All Nations” and the mission for our church to “Expand the Kingdom of God on Earth through Evangelism, Disciple Making, and Community Service”, freeing us from the geographic and occupational constraints that we put on ourselves.

Today we are turning a new page in expanding our ministry to those who prefer to worship and to fellowship in English.

We welcome everyone who is curious about our faith and Christians who share our faith, vision, and mission to join us in our worship and fellowship groups to study the Bible and serve the Lord with us together.

Faith confirmed

Being an Evangelical Free Church, we believe that there is only one God, self-existent and eternal, who is one in three Persons: Father, Son and Holy Spirit, the creator of all things and sovereign of the whole universe. We believe, Jesus Christ is the Son of God, the incarnate Word, who is true God and true man. He laid down his life and shed his blood upon the cross to redeem men from the penalty and bondage of sin. He resurrected from the dead after three days, ascended into heaven and now sits on the right side of God as the Mediator and High Priest, interceding and praying on behalf of the believers. He is the Head of the Church. He will surely come again from heaven and manifest Himself to establish His kingdom and to judge the living and the dead. We believe that man was created in the image of God. Through rebellion against God, men have become sinners, living under the wrath of God. Only through genuine repentance and acceptance of the salvation that Christ has bought with His Blood, can men be cleansed from sin, regenerated through the Holy Spirit and enter into the kingdom of God.
